Company History

Acara MedSpas parent company was founded on the vision to bring the benefits of spa to a larger, broader audience. In 2003 Francis Acunzo, Acara's founder and CEO identified the medicals spa industry as a vehicle to help Acara Partners achieve this vision. In the spring of 2005 Acara MedSpas was officially formed when it undertook the management of corporate owned chain of medical spas on the west coast. Today Acara MedSpas is taking its expertise medspa solution to individual owners and investors through its turnkey solutions.

About Acara: Acara MedSpas is an Acara Partners Company. In 2005, Acara Partners spearheaded the acquisition and turnaround of a corporate owned medical spa company under their Acara MedSpas division. Acara MedSpas is the industry frontrunner in developing, managing and marketing leading medical spas.
